## **Mathern Community Council has adopted the following policy**

### **The policy of the Council in relation to the making of grants and donations is as follows:-**

2. All applications for donations must be made in writing and submitted to the Clerk.
3. All donation applications must be decided by a full council meeting.
4. Mathern Community Council must satisfy itself that the donation will benefit the area and a significant number of residents. Ideally there should be clear evidence of local need or demand for the proposed activity.
5. If the donation requests received exceed the donation monies available in a financial year, then Councilors will target donations which benefit as many people as possible within the community.

### **Donations Conditions**

2. Donations will not be made retrospectively.
3. Donations will not be awarded to fund activities of a political nature, nor activities considered to be the responsibility of the principal authority.

5. Organisations applying for a donation should be properly constituted, with appointed officers.
